# FIRST, WHAT IS A COCKTAIL?

A cocktail is an alcoholic mixed drink. Most commonly, cocktails are either a single spirit or combination of spirits, mixed with other ingredients such as juices, flavored syrups, tonic water, shrubs, and bitters.

In modern times, the term cocktail has also come to refer to any mixed drink that contains three or more ingredients, without a spirit.

TRADITIONAL AND REFRESHING -  
MOJITO

The mojito is the epitome of the refreshing cocktail, stripped down to just the bare essentials of rum, lime juice, sugar, soda water, and mint.

# APP SUMMARY

The app idea is for ETZ Cocktails, a platform that allows cocktail enthusiasts to discover, save, and favorite drinks. The app provides access to a vast database of cocktail recipes, which users can easily search by name or ingredient, view detailed instructions, and save their favorite recipes all in one place. With its user-friendly design and comprehensive features, ETZ Cocktails streamlines the cocktail-making process and makes it easier for users to create delicious drinks.

# APP GOAL

The goal of the app is to bring the joy of cocktail-making to everyone and provide an easy-to-use platform for discovering and managing cocktail recipes.

# WHY THIS IDEA?

We were inspired to create ETZ Cocktails because of our shared passion for cocktails. Our goal is to provide a platform for all cocktail enthusiasts to discover, create, and save their favorite drinks with ease.

# INTRODUCING OUR BEST APP YET

## EASY TO USE

A Minimalist User-friendly interface that makes it easy to navigate and find what you need. Offer easy and intuitive experience.

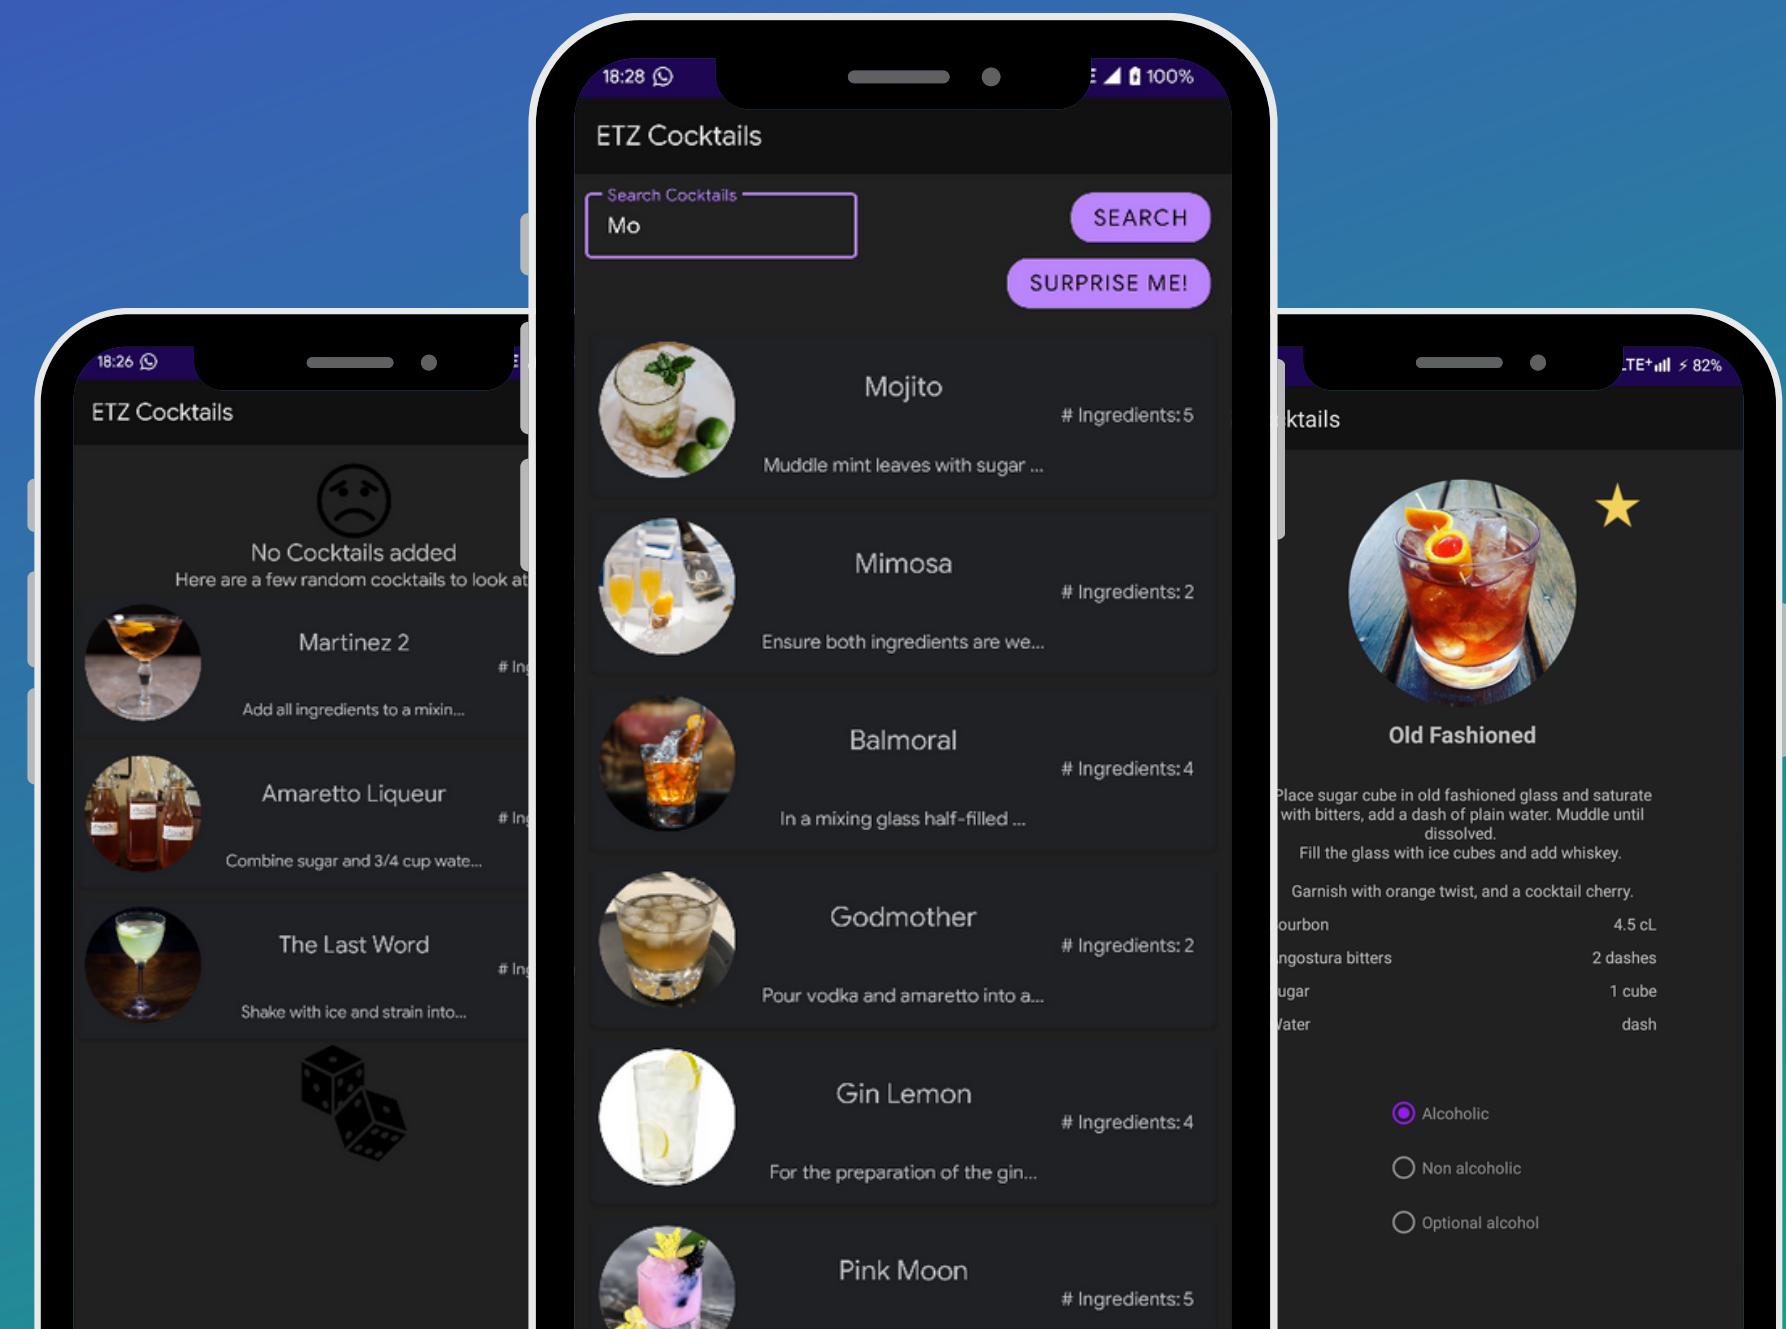

## WORK ANYTIME

The application operates both offline and online.

**Online:** Fetch data from an API

**Offline:** View & modify saved cocktails.

## WORK EASIER

Find your perfect cocktail with ease by searching by its name or any of its ingredients.

## PERFECT FOR YOU

Whether you're at home or behind the bar, manage your cocktail recipes and create new and exciting drinks.

# UI FEATURES

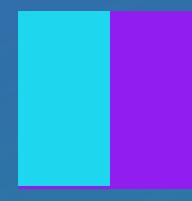

## EASY TO CONTROL

No-Nonsense Navigation with intuitive and responsive UI.

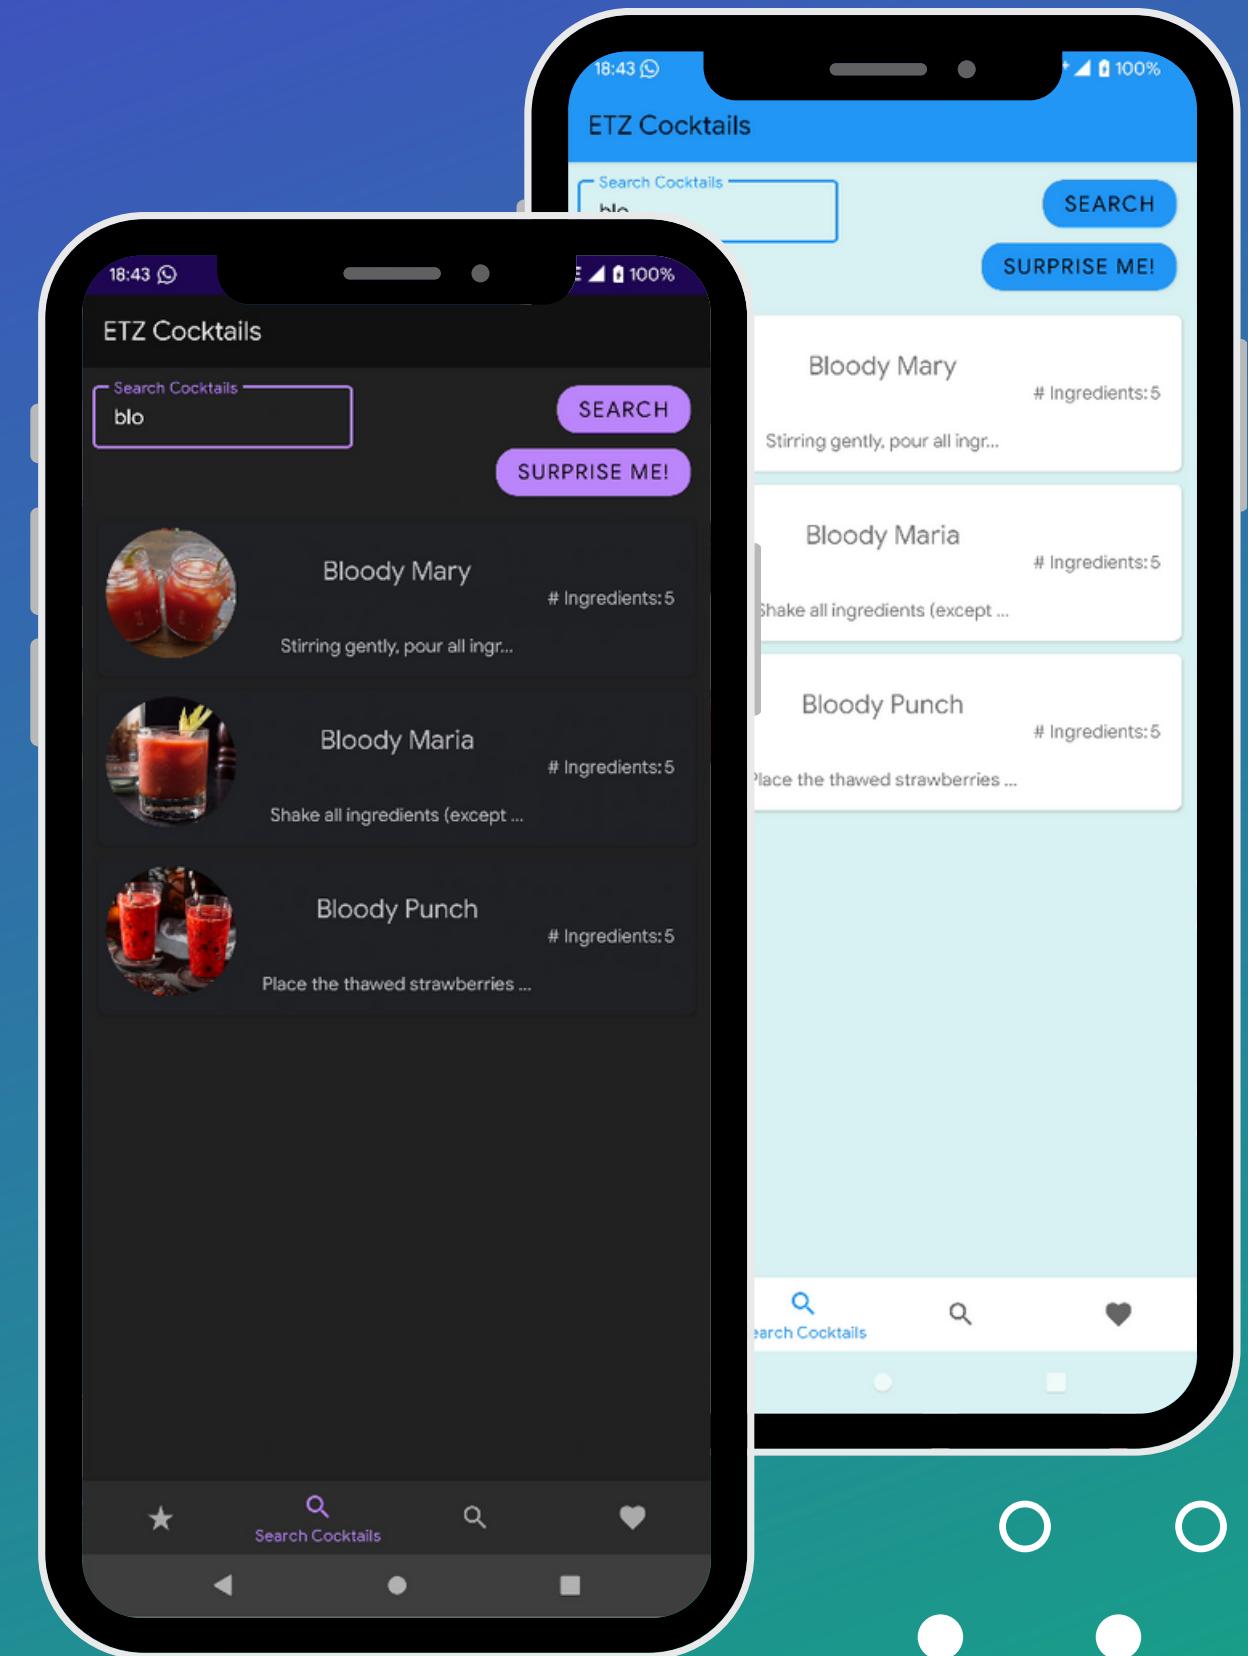

## DATA PREVIEW

Card view that allows the user to preview the instructions and to see the thumbnail of the cocktail, along with its name.

## 2 THEMES

Light mode - Blue & White color palette.  
Dark mode - Purple & Black color palette.

# OUR PURPOSE MAKING THIS APP

## WORK EFFECTIVE & ORGANIZED

We provide a platform for cocktail lovers, mixologists, and bartenders to search for, create, and save their favorite cocktail recipes in one place.

Much better and more reliable than hand-written recipes or dumping recipes in the note app.

## ONE-STOP APP

Access a vast database of cocktail recipes at your fingertips. You can easily search for cocktails by name or ingredient, view detailed instructions and save your favorite recipes all in one place.

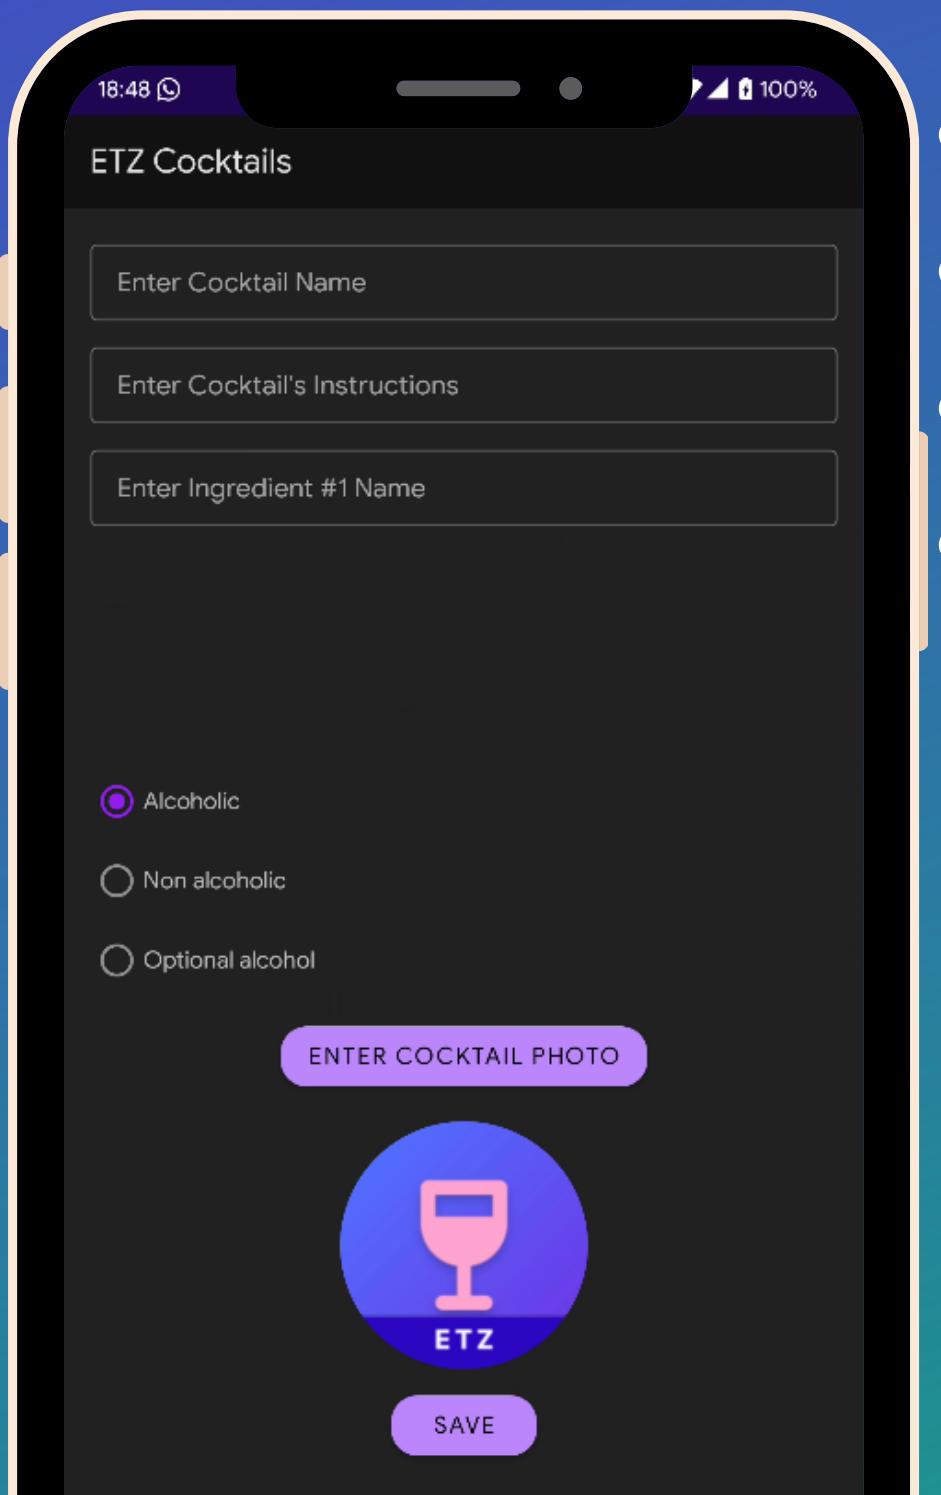

## CONVENIENCE WHILE WORKING EVERYWHERE

The application operates both offline and online. While online you can access the cocktails DB, either way you can access your saved cocktails.
